Annual Index

News Notes
Gravitational Waves detected 1
Supernova in NGC5128 3
Zone of Avoidance radio survey 4
Edinburgh medal awarded to Kevin Govender and IAU 5
SKA Consortium receives EU Horizon funding 7
Unexplained galaxy alignment on a cosmic scale 48
Presentation of Edinburgh Medal 49
National strategy for multi-wavelength astronomy 92
Scientometric study 94
Echoes of ancient exploding star on our doorstep 95
A night under the stars (K Kirkham) 98
SALT: Calibration of High-Resolution Spectrograph 100
Transit of Mercury 9 May 2016 102
History of Astronomy in Africa Steering Meeting 142
"First light" image from MeerKAT 145
2016 Astronomy Town Meeting 147
New Newsletter from SKA SA 148
Herschel-Darwin commemoration dinner (C de Coning) 150
History of Astronomy Steering Meeting 15 August 2016 156
Lack of young stars in inner part of Galactic Disk 164
Breakthrough in mirror control at SALT 166
Planet found around Proxima Cen 191
Stellar flares on Proxima Cen (Berto Monard) 192
HERA telescope gets $9.5m funding injection 193
Eta Car: Violent stellar wind collision in the binary star monster 197
ASSA News: SABC interview on "The Race to Mars" (with links) 235
SALT's excellence and achievements recognized by DST 253
KBO Occultation 255

Annual General Meeting of ASSA
President's report (P de Villiers) 201
ASSA Scholarships (Claire Flanagan) 204
Astrophotography section (Allen Versfeld) 206
Cosmology section (Frikkie de Bruyn) 208
Deep sky section (Auke Slotegraaf) 209
Historical section (Chris de Coning) 211
Instrumentation section (Chris Stewart) 212
Observing section (Kos Coronaios) 214
Photometry and Spectroscopy section (Jerome Jooste) 216
Shallow sky observing section (Dave Blane) 219
Office bearers 2016/7 222
Awards 224
Presidential address: A snapshot of ASSA's health and focus for the ensuing year (Pierre de Villiers) 226

Letter to the editor
Call for historical material (Chris de Coning)..... 50

Editorial
Request for information on small observatories in South Africa..... 142
(Amateur contributions)..... 251

Articles
PSR J1723-2837: Intensive photometric study captured unique events
A. Van Staden 9
Port Elizabeth Peoples' Onservatory, D. Bullis..... 51
Biographical index to *MNASSA* and *JASSA* to December 2015, IS Glass..... 80
