

Annual Index 2022

ASSA Matters

| | |
|---|-----|
| The Centres of the Astronomical Society of Southern Africa | 73 |
| History of the Cape Centre | 77 |
| History of the Durban Centre | 84 |
| History of GRASSA – The Garden Route Centre | 89 |
| History of the Hermanus Centre | 92 |
| History of the Johannesburg Centre | 97 |
| History of the Pretoria Centre | 102 |
| History of MNASSA | 106 |
| ASSA instrumentation Section | 111 |
| One hundred years of the Comet, Asteroid and Meteor Section | 133 |
| ASSA AGM | 159 |
| Sky Guide 2023 | 203 |
| ASSA Presidential Report for 2021/2011 | 207 |
| Awards | 216 |
| Council Office Bearers 2011/2023 | 218 |

News Notes

| | |
|---|-----|
| News Note: Isaac Newton Sculpture presented to SAAO | 1 |
| News Note: JWST launched at last | 2 |
| News Note: South Africa's hosting of NASA-funded Hazardous Asteroid Tracking Telescope | 3 |
| News Note: MeerKAT radio image reveals complex heart of Milky Way | 5 |
| News Note Theory of General Relativity passes a range of precise tests set by pair of extreme stars | 8 |
| News Note: Early findings of HERA telescope promise deeper understanding of cosmic dawn | 9 |
| News Note: SN2022jli in nearby galaxy NGC157, Constellation Cetus | 67 |
| News Note: New Robotic Telescope gives UFS the edge | 69 |
| News Note: Strange neutron star spinning every 76 seconds discovered in stellar graveyard | 71 |
| News Note: Fast and Furious: Astronomers reveal best image yet of mysterious ORCs in space | 24 |
| News Note: In the wake of a dying Sun | 26 |
| News Note: Megamaser "Nkalakatha" discovered by astronomers using MeerKAT | 29 |
| News Note: SKA Observatory celebrates start of telescope construction in Australia and South Africa | 233 |
| MNASSA VOL 81 Nos 11 & 12 | 255 |

News Note: “Breakthrough Listen” has begun observations of a million nearby stars with the MeerKAT Array 237
